## Explore

■ NV Charts' newly updated chart set for Region 11.1 Puerto Rico has a new layout, clear cartography, complies with international chart standards, and is available in paper or digital format, as a memory card for chart plotters, or with NV Charts' new iOS mobile navigation App to help you explore with ease. Features include a more distinctive shore and shallows cartography, aids to navigation and light characteristics and tidal information. The cartography is visually distinct, with unique color differences to make specific depths, shoals, reefs, and exposed tidal areas stand out for easy recognition. MSRP \$69.80; [nvcharts.com](http://nvcharts.com)

■ DieselFusion is a fuel additive that utilizes nano-technology to enhance marine fuels and protect vital engine components. DieselFusion dramatically reduces exhaust soot and fumes up to 80 percent and increases fuel economy up to 18 percent while extending engine life. This non-hazardous, eco-friendly product delivers a higher level of engine efficiency, so you can explore with confidence. Available in pints and gallons, a pint of DieselFusion treats 640 gallons of diesel fuel with fuel cost savings starting 30 minutes after dosing. MSRP starts at \$59.95 per pint; Contact [DavidSHalcomb@gmail.com](mailto:DavidSHalcomb@gmail.com) or call (262) 914-7002.

## COVERING NEWS, GEAR, MARINAS, MEDIA, NEW BOATS, AND DESIGNS

■ SeaSense introduces their brand new TrailerSense Tongue-Weight Indicator Jack—a new one-of-a-kind device with a built-in scale that instantly informs you of safe trailering loads. With an 800-lb capacity, TrailerSense is designed to **protect** your vehicle from loads that are too front-heavy to offer optimal towing for your vehicle and trailer. MSRP \$79.95; [seasense.com](http://seasense.com)

■ PetrolFusion is an advanced fuel catalyst technology infused with nano technology to **protect** gas engines, outboards and components from Ethanol damage. The nano micro lubricants in PetrolFusion reduce phase separation caused by Ethanol and coat engine components which defends against Ethanol damage and increases fuel economy and horsepower up to 18%. A pint of PetrolFusion treats 640 gallons and retails for \$59.95. Contact [DavidSHalcomb@gmail.com](mailto:DavidSHalcomb@gmail.com) or call (262) 914-7002.
